

CERTIFICATE

The company

EUROFOAM Hungary Ltd.

Po. Box 16.

H-3792 Sajóbáony

is granted authorization according to Oeko-Tex[®] Standard 100 to use the Oeko-Tex[®] mark, based on our test report 03-19/03-2010

for the following articles:

Polyurethane Foam: all normal (N), high resilient (R) and viscoelastic (V) types

The results of the inspection made according to Oeko-Tex[®] Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex[®] mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 22.03.2011

Budapest, 23.03.2010

Dr. Pál Pataki
Director General
